Be Reasonable

This is a proven direct method of restoring communication with the Creative Source of all that is or ever can or will be.

It is an invitation to an immediate contact with the singular power of the Reality of Eternal Life that is all about you.

Remember you have never really been separate from this totality of All Being.

Remember there is not, nor has there ever been, anything whatsoever to fear.

Nothing I See Means Anything.

The reason this is so is that I see nothing, and nothing has no meaning. It is necessary that I recognize this, that I may learn to see. What I think I see now is taking the place of vision. I must let it go by realizing it has no meaning, so that vision may take its place.

LESSON 1

I Have Given What I See All The Meaning It Has For Me.

I have judged everything I look upon, and it is this and only this I see. This is not vision. It is merely an illusion of reality, because my judgments have been made quite apart from reality. I am willing to recognize the lack of validity in my judgments, because I want to see. My judgments have hurt me, and I do not want to see according to them.

LESSON 2
